RENEWED PETITION UNDER 37 CFR 1.137(b)

In a Response from the Office of Petitions dated November 28, 2006, the Senior Attorney requested the exact filing date of the foreign application. Since this was not final agency decision, no additional petition fee is required.

The International Filing Date for the corresponding application was December 31, 2004; serial # PCT/US04/043857.

Applicant's representative filed the corrected/updated Recission Request (PTO/SB/36) after receiving a Communication from the Patent Office that caused him to take a second look at the form PTO/SB/36 used. Out of precaution, a second PTO/SB/36 was filed to ensure continuity in the case.

Applicant's representative respectfully requests that Senior Attorney Faison-Ball grant the petition.

Sincerely,

  
Albert W. Watkins
